PROFILE

I've always been passionate about technology.

My first contact with programming was in 2010 in a technical course at high school.

In 2016 I graduated in Game Design at Anhembi Morumbi University - UAM.

Working for +5 years as an IT Analyst, I wanted a career change. And at the beginning of 2022, I decided to start a Web Development course at Trybe, which is one of the most recognized programming schools in Brazil.
